

Kansas Campus Compact
2011 Outstanding Community & Campus Collaboration Award
Nomination Information

Kansas | **Campus Compact**

The Outstanding Community & Campus Collaboration award recognizes a sustained campus-community partnership in the state of Kansas that demonstrates a true partnership as evidenced by 1) community agency involvement in the development of the course goals and learning outcomes; 2) measurable impact (qualitative and quantitative) on students, faculty and institution; 3) measurable impact on the lives of those served by the community agency; 4) commitment of community agency to student learning.

To nominate an outstanding community-campus collaboration for this award, please submit a nomination packet with the following criteria addressed. The packet must also include the Nomination Cover Sheet and must be submitted in tandem between the institution and the community organization. Only complete packets will be considered.

Packet Criteria:

- 1) Nomination Cover Sheet
- 2) Documentation that thoroughly demonstrates the following bullets:
 - a. The partnership between the community organization and the faculty member/institution has been active for two or more academic semesters.
 - b. The partnership between the community organization and the faculty member/institution was founded on a shared vision and clearly articulated goals, and the community organization was involved in the development of the course goals and learning outcomes.
 - c. A measurable (quantitative and qualitative) impact on student learning occurred and community organization demonstrated a commitment to the student learning process.
 - d. A measurable (quantitative and qualitative) impact on those served by the community organization occurred and faculty member/institution demonstrated a commitment to meaningful service to the community.

Please submit the completed packet no later than midnight on August 15, 2011 to:
