Missouri Archaeological Society

Jesse Wrench Research Mentorship Application
(Fall 2015–Spring 2016)

Interest proceeds from the Jesse Wrench Fund, set up in memory of the Society’s first president, finance $1,000 annually ($500 per semester) for a deserving undergraduate or graduate student at any Missouri university or college. The recipient must work with a mentor at their institution to develop and implement an archaeological research project relative to regional archaeology. The winner will also be required to write an article for the MAS Quarterly concerning the project. The article must be written in SAA style format and a rough draft must be submitted to the MAS office no later than August 1, 2016.

Name: ________________________________

Address: _______________________________________________________________

Phone: _______________________  E-mail: _________________________________

Number of undergraduate credit hours: ________

Undergraduate g.p.a.: ________________________

Missouri college or university _______________
