THE ORGANIZATION

The Southwest Missouri District Association of Mathematics Teachers (SWMDAMT) is a regional professional mathematics education association organized to support the following goals:

- Promotes excellence in teaching mathematics in elementary, middle, junior high and senior high school and universities.
- Provides service and opportunities for professional growth and development of teachers of mathematics.
- Promotes the value of learning mathematics and takes positions which positively affect mathematics education in Missouri.
- Communicates with its members through a newsletter in an effort to keep them aware of what is happening in mathematics education both locally and at the state level.
- Provides scholarships for members to attend the annual MCTM State Conference in Columbia, MO
- Serves as a forum through which teachers and other interested learning and education can discuss and respond to issues and activities affecting mathematics education in Missouri and the nation.

*Join us as we collaborate together at our annual
Fall and Spring Meetings.*
